

PROJECT UPDATE: Edwards Interchange For the Week of April 18, 2011

Mud season is here which means ACC is back to complete the final pieces of the Edwards Interchange Project. Crews will be on-site on Monday April 18 and will be working there for approximately 7 weeks.

Work to be completed: Entry of the Northstar Business Center, concrete pavement, permanent striping, construction of sidewalks, curb & gutter, installation of light poles, removal of signal poles, guardrail work and signage.

Impacts on Traffic:

- There will always be one lane of traffic flowing in each direction.
- Drivers will experience configuration changes to the access of the Northstar Business Center but it will remain open at all times.
- Traffic may be flagger manned during construction hours.

Construction Hours: Sunrise - 7 p.m. Monday - Friday with potential work on Saturday.

Thanks for all your support as we button down a challenging but great project.

ACC will alert you to any significant traffic delays but also encourage you to check our hotline at 970-949-1102 or the CDOT website for more information <http://www.coloradodot.info/projects/i70edwardsinterchange>. Alternatively, you may contact our public information office at 970-566-6912 or via email at EdwardsInterchange@accbuilt.com.

Public Information Manager: Jody Randall 720-244-7312

Each week there will be email updates about the Edwards Roundabout Interchange Project to keep all community members informed about our progress. We will also send out ALERT emails if there is an unexpected delay within the project. If you would like to be removed from this list at any time, please reply to the email and write "REMOVE" in the subject line.
